OFFICE OF THE SECRETARY
WASHINGTON, D. C.

Amendment No. 4 to Service and Regulatory Announcements
(Agricultural Economics) No. 105.

- - - - -

By virtue of the authority vested in the Secretary of Agriculture by the United States Cotton Futures Act of August 11, 1916 (39 Stat. 476), as amended by the Acts of March 4, 1919 (40 Stat. 1348, 1351), May 31, 1920 (41 Stat. 725), and February 26, 1927 (Public No. 657, 69th Cong.), I, R. W. Dunlap, Acting Secretary of Agriculture, do make, prescribe, publish, and give public notice of the following amendment, which shall be in force and effect on and after this date, to the regulations of the Secretary of Agriculture under said Act as amended:

In regulation 10 strike out section 4 and substitute therefor the following:

"Sec. 4. If there is a board of cotton examiners at the point where the cotton was or may be delivered in settlement of a contract made subject to the act and these regulations the written application for a review shall be filed with the board which issued the cotton class certificate covering the cotton involved; otherwise it may be filed with the supervisor of cotton inspection at that point. Any person entitled under these regulations to request a review of the classification of any cotton may designate as the board to which he wishes the review referred either the appeal board of review examiners, Washington, D. C., or the local board of cotton examiners, and such action shall be taken accordingly: Provided, That the chief of the bureau may for good cause designate the board to review the classification of any cotton for which application for review may be filed. The person applying for a review by the appeal board of review examiners may be required to bear any expense incident to forwarding and returning the samples, but such expense shall be borne

by the Department in those cases where the chief of the bureau directs the handling of reviews by a board other than that which classified the cotton in the first instance. Any person applying for a review shall, upon call of the chairman of the board or the supervisor of inspection with whom such application was filed, surrender the cotton class certificate or certificates covering the cotton involved."

In witness whereof I have herewith set my hand and caused the official seal of the Department of Agriculture to be affixed in the City of Washington this 6th day of March, 1929.

(Signed) R. W. Dunlap,
Acting Secretary.
